All reservations have to be done in written and prepaid at least 7 days in advance. The service is non-refundable in case of cancellation. The desired departure time (pick up window) and the transfer price is chosen at booking.

SHARED transfer

The Shared transfer is our unique low-cost transport service on one of our standard routes. It groups together passengers with similar travel time limits in the same vehicle.

FIX time = the exact departure time is set already at the reservation and sent to your mobile phone and email address. It could be set by passenger or suggest by Goopti. Time is set to a minimal waiting time. Soonest departure time from airport is 45 min (Trieste and Ljubljana) to 1 hour (Venice) after landing. Latest arrival at the airport 2 hours before departure.

OPTI flexible time = the time of departure / arrival is subject to the flexibility of the customer. The exact departure or arrival time is set one day before the transfer, following notification via sms and email making sure you will always arrive on time. Soonest departure time from airport is 45 min (Trieste and Ljubljana) to 1 hour (Venice) after landing. Latest arrival at the airport 2 hours before departure.

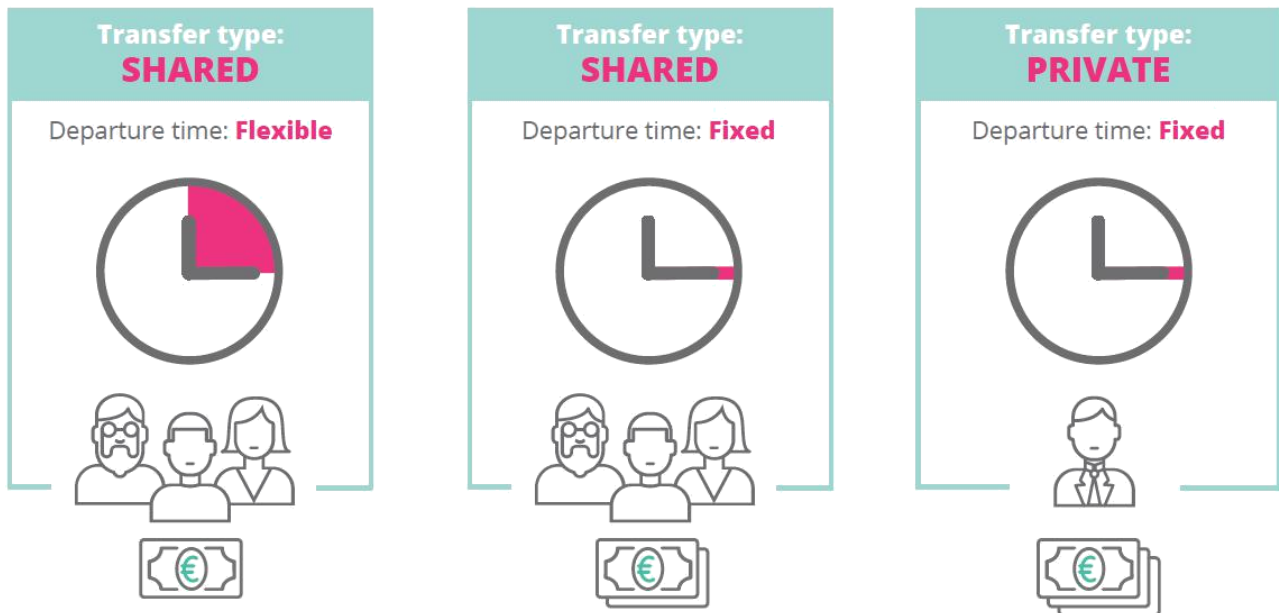

For Example: OPTI 1 means you are willing to wait 1 hour after you come out of custom and luggage area. If flight arrives at 12:00, you come out at 13:00 and with OPTI 1 you would be picked up between 13:00 and 14:00, knowing the exact time one day before. With FIX time you would be picked up at 13:00 or as preferred.

PRIVATE transfer

The Private transfer is a completely private ride. The exact departure time is set already at the reservation and sent to your mobile phone and email address. It could be set by passenger or suggest by Goopti. Time is set to a minimal waiting time. Soonest departure time from airport is 45 min (Trieste and Ljubljana) to 1 hour (Venice) after landing. Latest arrival at the airport 2 hours before departure.
