

Minutes of the 25th Committee meeting

21 December 2022

14:00-15:30 - MSTeams

25 participants (see the attached attendance report)

Topic 1. Chairman (MM) and secretary (AL) for the meeting

All in favour

Approved

Topic 2. Reports by President, Past President, Secretary, Members-at-Large.

Nothing to report

Topic 3. Approval of the minutes of the 24th ESR Committee Meeting

All in favour

Approved

Topic 4. Approval of amendments of ESR by laws.

Amendments of the ESR bylaws have been proposed by an ad hoc committee. They are joined to these minutes.

All in favour

Approved

Currently the ExCom members do not vote at the ESR meetings. It has been discussed whether this should be changed. But finally, it is agreed that this rule makes sense and that there is no need to modify the bylaws any further.

Topic 5. Final report on AERC 2022 (AG; TC)

For the final report and details on statistics see slides by Antonio.

The AERC meeting was financially balanced with a gain of about 1500 Euros that will be sent to the Spanish society of rheology.

Overall, the conference was a success! Thanks again to the organizers.

**Topic 6.** Report EYRS 2023: European Young Rheologists Symposium 2023

The planning is well on its way (as presented by Claudia) and the organization teams is enthusiastic and dedicated. The symposium will take place online (MS Teams) on the 8th and 9th of May. A logo has been created with the Y symbolizing a young person but also the shear rate $\dot{\gamma}$. Participation is restricted to Master students, PhD students and Post-Docs (max 2 years after PhD). The webpage is online and can be accessed through the ESR website.

There will be 3 parallel sessions with three topics, moderated by more senior experts (to increase interactions between young and more senior rheologists).

Inscription fees are 100 Euros, including ESR membership 2023 (for those who also attend ICR, take care that they do not pay membership twice). Breakeven is reached with 49 participants, they plan with around 96 participants.

For more details and deadlines see slides. All ESR committee members are asked to advertise the meeting.

Topic 7. AERC 2025

Bid from Lyon, presented by Khalid (for details see slides). This is the only bid received, but a very good and well thought through bid with a very enthusiastic organization committee

All in favour

Approved

The organizers are reminded to use the ESR platform and for the abstract submission Albert's platform (hopefully still available in 2025).

Topic 8. ESR Early Career Award

The ExComm proposes to install an early career award.

All in favour

Approved

The rules are as proposed on the slides/pdf document.

The number of recommendation letters is reduced to three (instead of four). This year the deadline will not be in December but around the end of February. This is possible as the award will be given in Athens in August, at ICR and there is thus still time.

All in favour

Approved

Topic 9. Name to name the Early Career Award after

11 votes for Oldroyd
8 votes for Likhtman

The award will be called “Oldroyd early career award”.

Topic 10. 2023 Election of vice President, members at large, secretary, treasurer.

The election committee is headed by Mats Stading.
Norbert Willenbacher stepped down and Mats Stading proposed as new member of the Election Committee: Manfred Wilhelm.

All in favour
Approved

We should decide that one (secretary or treasurer) should still have 2 years and the other should step down. Mats will discuss this.

The elections of the new officers will take place by the end of June 2023 so that they can start their offices at the ICR 2023 in Athens, according to the ESR bylaws just approved.

Topic 11. Any other topic (all)

Reminder to offer our review services to Rheologica Acta.
